

SWISS SOCIETY OF
RECONSTRUCTIVE DENTISTRY

SSRD RESEARCH AWARD 2012

The Swiss Society of Reconstructive Dentistry is offering clinicians and researchers an opportunity to deliver a short scientific presentation at the SSRD annual convention on Friday, October 26th 2012. These are the topics to choose from: **fixed/removable prosthetics; dentistry for the elderly and the disabled; orofacial pain.** Eligibility pertains to both Swiss and non-Swiss colleagues aged below 40 who will present from either a practical angle or a university perspective. Speaking time for those selected to present will be limited to 10 minutes followed by a 5-minute Q&A session.

IADR-format abstracts of a maximum of 1,000 words (Aim(s), Material and Methods, Results, Conclusions) are to be drafted in English and submitted electronically by e-mail sent to the SSRD convention secretariat no later than June 30th 2012. The best presentation will be rewarded with a prize of CHF 3,000 (CHF 1,500 and CHF 500 for 2nd and 3rd place resp.). Please find more details in the «Regulations for the SSRD Research Award» available on our website at www.ssrld.ch.
